Textile export through co-operative sector

1751. SHRI TINDIVANAM G. VENKATRAMAN: Will the Minister of TEXTILES be pleased to refer to the answer to Unstarred Question 999 be pleased to refer to the answer to given in the Rajya Sabha on 2nd December, 1991 and state whether the Government contemplate the textiles export to be carried out through co-operative sector?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): Apex Co-operative Societies are already undertaking export of textiles and garments on their own. Such Co-operative Societies are eligible for quotas under different systems under the Export Entitlement Distribution Policies for garments and Textiles.

Export of Jute

1752. SHRI P. UPENDRA: Will the Minister of TEXTILES be pleased to state:

(a) whether the jute industry is unlikely to meet its export target for the current year; and

(b) if so, what are the reasons of the same and what action Government have taken to help the jute industry to increase its expors?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) and (b) As against export target of Rs. 385 crore fixed by Ministry for 1991-92, actual achievement during April '91-Jan. '92 has been of the order of Rs. 298.46 crore accounting for nearly 78 per cent of target. This shortfall is unikely to be made good during Feb.—March, 1992 due to dislocation in production and exports as a result of continuing strike in jute mills in West Bengal from 28-1-92 and hence it appears that jute goods export target for current year may not be achieved. Government has taken the following measures to increase exports:—

(i) Linking of DGS&D orders for supply of jute bags with the export obligation to export of jute products to GCA countries.

(ii) External Market Assistance Scheme.

(iii) Loss sharing Scheme on participation in global tenders.
